

The Insurance
Institute of Norwich
Chartered Insurance Institute

Presidential Message

When I agreed to take on the role of President of the Insurance Institute of Norwich, people said to me, *“Time will fly, enjoy it, because before you know it, 12 months will have passed.”* Well, based on the first quarter, they were absolutely right, I honestly don’t know where the time has gone!

It’s been a busy few months as we’ve been planning for the year ahead, which includes a range of CPD courses, social events, and of course, our Annual Dinner. I’ve also had the pleasure of visiting a number of companies across Norwich to raise awareness of the Chartered Insurance Institute and the work of our local institute. These sessions have been a great opportunity to engage with members and highlight the benefits of being part of the CII community.

A recent highlight was attending the CII Network Conference in Loch Lomond with Alycia and Amaia, what a fantastic few days it was. Networking with other local institutes gave me a real insight into what others are doing well, as well as the common challenges we all face. It was inspiring to share ideas and learn from each other.

As we now head into the next quarter (what I like to call "holiday season" with schools breaking up and summer holidays in full swing) I’m sure it won’t be long before we start seeing Christmas decorations in the shops!

We’ll be continuing our efforts to visit as many local companies as possible to raise awareness of the institute. We also have some exciting upcoming social events, and it would be wonderful to see as many of you there as possible.

Wishing you all a great summer and thank you for your continued support.

Warm regards,

Kris Locker

President, Insurance Institute of Norwich

CII National Conference 2025 – A Celebration of Community, Purpose, and Progress

The Insurance Institute of Norwich had the privilege of attending this year's Chartered Insurance Institute Network Conference and Volunteer Awards in the breathtaking setting of Loch Lomond.

Represented by Kris Locker, Amaia Robbins, and Alycia Thomson ACII Chartered Insurance Broker, we joined fellow Local Institute volunteers from across the UK to connect, reflect, and celebrate.

The overarching themes of community, communication, and giving back were a powerful reminder of what truly matters in the insurance and financial planning professions.

The conference was packed with insight and inspiration and across every session, a consistent focus emerged: ethics, behaviours, and continuous development. The foundation of public trust and professional excellence.

Connecting for Success

The council have delivered our Connecting for Success session to 2 groups of aspiring young professionals at both Alan Boswell and Aviva.

The session explores the many benefits of being a CII member, how it can support career development, and the various ways to get involved locally. It also promotes the Insurance Charities and the valuable support they offer.

“It was a great session showcasing what the CII and our local institute has to offer.”

Insurance Charity Awareness Week 2025

The Insurance Institute of Norwich proudly supported The Insurance Charity during its national awareness week in June, a vital organisation dedicated to helping insurance professionals and their families through challenging times.

Whether it's financial hardship, health issues, or unexpected life events, the Charity provides confidential support when it's needed most. In an industry built on protecting others, it's reassuring to know there's someone looking out for us too.

Charity Support

We also took to the rivers and roads of Norwich supporting Break Charity with the annual Duck Race and partaking in Howdens Networking Run.

CPD Events

Thank you for voting in our recent poll: What CPD events would you benefit from?

We had two clear winners in 'Better use of Data & AI' and 'Focus on CII modules & exams' as well as a need for personal development.

Watch this space as we'll soon be announcing what's next on the CPD calendar.

What CPD events would you benefit from?

You can see how people vote. [Learn more](#)

Supporting & Integrating ESG	0%
Better use of Data & AI	43%
Focus on CII modules & exams	43%
Personal development	14%
