Presidential Message

Here we are again, another quarter has flown by! With the busy holiday season behind us, I hope you all had the chance to enjoy the lovely weather and spend quality time with your families.

As the children head back to school and the evenings begin to draw in, it can only mean one thing... our Annual Dinner is just around the corner! I'm so excited for this event, and I know Dani and the team have been working incredibly hard to make sure it's a fantastic evening for everyone. For those of you with tickets, I can't wait to see you there and meet as many of you as possible. We have a wonderful night planned, including delicious food and great entertainment.

Over the past few months, we've continued to raise the profile of both the Norwich Institute and the **CII**, with more visits to local companies, some of which have included presentations via Teams. I'm more than happy to attend further sessions, whether in-person at your office or online. If you'd like to arrange a visit, please feel free to reach out to me directly at NorwichInsuranceInstitute@gmail.com.

Our Social Team has also been busy planning future events, with recent highlights including a cocktail-making class! Meanwhile, I've been working closely with the Council to ensure we have a full and varied CPD programme lined up. Please keep an eye out for upcoming dates and session details. We aim to cover a wide range of topics, but if there's something specific you'd like to see, don't hesitate to let us know.

Once again, thank you all for your continued support. I look forward to seeing many of you on the 10th of October at the Annual Dinner!

Warm regards,

Kris Locker

President, Insurance Institute of Norwich

Cocktail Masterclass

The Norwich Insurance Institute recently hosted a vibrant cocktail-making masterclass that brought together professionals from across the local insurance community, and what a turnout it was!

Our Norwich Institute members came together not just to shake up mojitos and stir martinis, but to mix and mingle in a relaxed, engaging setting. From mastering the art of a classic cocktail to daring flaming creations, everyone embraced the spirit of the evening with flair and enthusiasm.

But beyond the fun and fizz, the event highlighted something even more valuable: the power of connection. In an industry built on trust, collaboration, and shared expertise, networking events like these offer a unique opportunity to:

- Build meaningful professional relationships
- Share insights and experiences across roles and organisations
- Discover new opportunities for growth and development
- Strengthen the local insurance community

Whether you're new to the industry or a seasoned professional, engaging with peers in informal settings can spark fresh ideas, open doors, and reinforce the sense of community that makes our profession thrive.

A huge thank you to Mr Postles' Apothecary for hosting us, and to Terri Bailey and Danielle Norman for their fantastic organisation. Your efforts helped create an evening that was both educational and unforgettable.

We're already looking forward to the next opportunity to "raise the bar" on networking and professional development. We have a few events in the works, but we'd love to hear from you if you have any suggestions for social activities. Drop us an email at norwichinsuranceinstitute@gmail.com.

CPD Events

We're currently busy curating our Continuing Professional Development (CPD) calendar for the months ahead, and there's plenty to look forward to!

Thanks to your input in our recent CPD poll, we're tailoring upcoming sessions to reflect what matters most to you. That means you can expect insightful events focused on Better Use of Data & AI, CII Modules & Exam Support and of course Personal Development.

We're also reviewing a fantastic mix of topics that could feature in future sessions, including:

- Effective Teamwork
- The Impact of AI on Professional Indemnity Insurance
- Business Interruption
- Insurable Interest

These sessions are designed not only to deepen your knowledge but also to connect you with peers across the local insurance industry. CPD events are a great way to stay ahead of industry trends, share experiences and best practices, build your professional network and earn CPD hours towards your CII requirements.

Keep an eye on our LinkedIn page for announcements and registration details. We'll be sharing dates and topics very soon!

Connecting for Success

Our Connecting for Success event showcases who we are at the Insurance Institute of Norwich, what we do, and how we support businesses and employees to thrive in today's dynamic insurance landscape.

Talking all things professional qualifications, membership benefits and social/networking opportunities, our Council Members can deliver this session to your employees in order to...

- Highlight the resources, training, and networking opportunities available through the Institute
- Share insights and experiences across roles and organisations
- Explore how we're helping shape a resilient, inclusive, and forward-thinking insurance profession

Expect real stories, practical tools, and a chance to connect with peers who are passionate about driving excellence in insurance.

Let's build a stronger future for insurance together.

If you're keen to know more about hosting this session within your business, reach

out to us by dropping a comment below or emailing norwichinsuranceinstitute@gmail.com.
